

KPU offers all learners opportunities to achieve success in a diverse range of programs that blend theory and practice, critical understanding, and social and ethical awareness necessary for good citizenship and rewarding careers.

PHYSICS INSTRUCTORS - Competition Number 18-84

Kwantlen Polytechnic University's (KPU) Faculty of Science and Horticulture is seeking a full time, one year term (Non-Regular Type 2) contract faculty member starting September 2018, to teach in the Physics Department from September 1 to August 31, with possibility of renewal. Applicants will also be considered for addition to the department's existing qualified faculty list.

The successful candidates will primarily teach our preparatory and first year courses in Physics, Applied Science and/or Astronomy, at Richmond and/or Surrey campuses. See course descriptions at <http://www.kpu.ca/physics>

Successful applicants will possess, at a minimum, a Master's degree in Physics or a closely related field (Ph.D. preferred). Prior teaching experience is highly desirable. Eligibility for P.Phys. or P.Eng. is an asset as is industry experience.

Expertise in one or more of the following areas is desirable:

- Numerical modelling/Computational Physics
- Optics
- Control

Those applicants interested in applying to teach in Physics can find further information on the Faculty of Science & Horticulture and the Physics for Modern Technology degree by visiting our website at: <http://www.kpu.ca/physics>

Please forward a letter of application, curriculum vitae, and photocopies of post-secondary transcripts, **quoting competition number 18-84 by May 24, 2018 to: employ@kpu.ca.**

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.
